Any popular wrought iron look can be achieved without the maintenance.

Aluminum construction, 20 year warranty on powder coated finish.

6 lengths of vertical tubes available 26, 32, 36, 42, 56 and 66 inch.

Do-it yourself assembly with professional results.

Tubes are easily cut with a tube cutter or carbide tipped mitre saw.

Posts are 3"x3" square and stock lengths of 8 and 10 can be cut to make any length post using re-mountable post base.

From the basic to the elaborate.

Will give any project a touch of class and distinction.

Limitless design potential. Challenge yourself to find new applications around your home.

Design's are only limited by your imagination.
